

KEEP YOUR CHIN UP!

*Surgical Result without Surgery
or Down Time.*

The solution to your
"Double Chin" is here!

Fort Collins Skin Clinic
Dr. Emily Stevens
and Tiffany Serell
are now offering Kybella!

2 VIALS OF KYBELLA
FOR YOUR 2 CHINS
\$1200

Kybella is the first and only FDA approved injectable drug that can get rid of a double chin, also known as Submental Fullness Kybella (deoxycholic acid) injections aid in the breakdown and absorption of dietary fat. When fat cells are destroyed by Kybella, those cells can never accumulate fat again.

kybella
(deoxycholic acid) injection 10 mg/mL
